Secondary School Transfer Meeting

We will be holding a meeting regarding transfer to secondary school for all Year 5 parents. This will be run by Venn Miller from the Local Authority on **Wednesday 8th June at 3:20pm in the large hall**. This will be an opportunity for you to find out how to apply for secondary places, including the process for applying to grammar schools, and the secondary school transfer form that parents need to complete online by October 2016. You will also have the opportunity to ask any questions you may have. This is a must meeting for Year 5 parents.

Parent Story Session in Mexico 2CC

In literacy this half term 2CC have been writing non-fiction reports about night time. The children and I are proud of the effort that has been put into this work and I believe that it will be a fantastic experience for the children to be able to read their work to family and friends. As one of the national curriculum objectives is to read their work aloud, we had a parent story session on Friday 27th May to celebrate the achievements the children have made in this piece of work. All of the children did so well and we are so proud of them.

Parent Welcome Meetings for New Reception Parents

We will be holding welcome meetings for new Reception parents whose children will be starting in Reception in September 2016. The time for meetings will be as follows on **Wednesday 8th June**. Reception Has Butterflies!

Receptions literacy unit has been about lifecycles. The children received butterfly eggs almost 3 weeks ago and have enjoyed observing the changes from egg to caterpillar, chrysalis and butterfly. On Monday, we were delighted to release the adult butterflies in to the air on the field.

Year 4 Trip to Longridge

On Monday, I think Year 4 had the best experience! We went on a thrilling adventure to Longridge Activity Centre in Marlow. We had the opportunity to experience kayaking and dragon boating. Some of us got a bit drenched but it was worth it! However, by the end of it, we did have some sore arms from all that paddling! Later, we had to challenge our minds with some team challenges. At first, we thought they were a bit mind-boggling, but with a bit of resilience, we found them pretty exciting. My oh my- what a day of treats and a roller coaster of emotions- we had hearts beating with joy, hairs on our necks standing up and gasps of wonder!
