School News Items - General Reminders – Messages

Dear Parents and Carers,

Times Table Competition

We had the first of our times table competitions last week. Years 1-6 were out on the playground competing with Mrs Johal, Mr Dhillon and Mrs Woodman to answer quick-fire time's table questions. It was so much fun, and the weather was amazing. Majestic Oak and Copper Beech scored 93 points to Horse Chestnut and Sycamore's 62 points. Well done to

everyone that took part and just a reminder that we will be doing this every week. Please do encourage your children to take part. Please ensure that you help the children learn their tables so that they can confidently take part.

West African Drumming Sessions

Music is a really important part of the curriculum as the discipline it brings is so good for the children. To see them all drumming in time to a pattern and rhythm was amazing. This is the same reason we will be having drum and brass instrument demonstrations for Year 5. Please do talk to your children and if they are interested in learning to play an instrument please do contact the school.

Year 2 Fundraiser

This term Year 2 have been learning about how people live differently around the world. As part of this unit the children looked into poverty and how we can help people living in poverty around the world. The children decided to raise money for Save the Children through a bake sale, a sponsored walk and selling their old toys. The event was planned entirely by the Year 2 children including the advertisements around the school and the assembly which they presented to the parents. In the end the hard work paid off as the children were able to raise a considerable amount for Save the Children (we will confirm the amount in next week's newsletter). We want to take this opportunity to thank everyone who supported the day and helped to raise money for such a fantastic cause.

Year 1 Enquiry Day Exhibition

Parents are invited to attend Year 1's Enquiry Day exhibition which is taking place on **Tuesday 24th April 2018 at 2:30pm** in the large hall. Please do come and enjoy the children's work on transport through time and learn some amazing facts about past, present and future transport. If you are able to come, please park in the parent's car park and then come to the school office, where you will be greeted by a member of the Year 1 team.

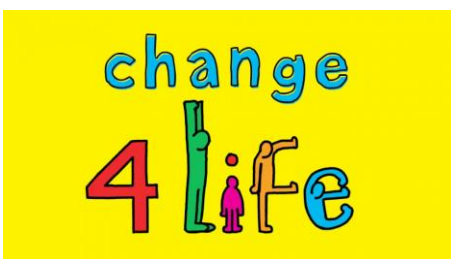

Secondary School Meeting

A reminder that we will be having a meeting regarding applying for secondary schools on **Wednesday 9th May at 3:30pm**. A representative from Slough Borough Council will be coming in to talk to parents and answer any questions about the process that you may have.

Driving Safety

Please be aware that there are obviously a lot of young children around the site, please therefore take care and drive safely whenever you are on the school site or in the surrounding streets.

Recipe

Beefed Up Sarnies

Add colourful grated salad to a roast beef sandwich to provide extra fibre and vitamins to your diet.

Ingredients:

- 1 carrot, grated
- 1 cooked beetroot (vacuum packed), grated
- ½ small red onion, thinly sliced
- 2 tsp vinegar
- 8 slices wholemeal bread
- 8 tsp reduced-fat mayonnaise
- 1 handful mixed salad leaves
- 4 slices lean roast beef (fat trimmed off)
- 1 pinch ground black pepper

Method:

1. In a bowl, mix together the carrot, beetroot and red onion with the vinegar. Season with black pepper.
Use a couple of finely sliced spring onions instead of red onion, if you prefer.
2. Spread each slice of bread with 1 tsp mayonnaise, then top 4 of them with the lettuce leaves and the roast beef. Share the salad between them, then sandwich together with the remaining slices of bread. Cut in half and serve at once, or wrap and keep cool to serve later.
You could also use lean roast port, ham or turkey slices instead of beef.

Complete your lunchbox with: 5 cherry tomatoes, fruit snack pot (tinned fruit in juice) and 200ml semi-skimmed milk.
