Dear Parents/Carers,

**Re: ANTI-BULLYING WEEK**

During next week we are holding an Anti-Bullying week at Wexham Court Primary School. One of the issues that we are aware of is 'Cyber Bullying' and we are in the process of creating a policy regarding this problem. We will be consulting with the children on this policy next week and with parents at a later stage.

This Monday at 9 a.m. Mr John Worgan, Pupil Safeguarding Inspector, will be coming into school to talk to parents on how important it is to prevent any form of cyber bullying and to advise you on how to avoid this happening to your child.

Please come along to this important meeting and Mr Worgan will be able to answer any questions or provide any information that you require. There are many contacts available for parents to receive help with this serious matter. As it is a such a serious issue, it is not suitable for young children to attend.

Thank you for your co-operation and support in this matter.

Miss A.S. Hermon  
Headteacher
