Thursday 16th December - Christmas jumper day and Christmas lunch

Friday 17th December - Whole School Assembly

Friday 17th December - Last Day of Term (finish at 12.30pm)

Important Information

Dear Parents and Carers,

I hope you found both the book looks and parent consultations helpful in understanding where your children are at and what they may need to work on. Many of you will have been asked to work on reading, phonics and timetables, this is because we are trying to improve automaticity in our pupils. For example, if they know key sounds and meanings of words, when they are reading or writing, they can get immersed in the content rather than trying to sound out the word. In Maths, they can solve complex problems rather than being stuck on their number bonds or tables. It is far better to spend a lot of time in primary school learning these skills well so that pupils do not have gaps and struggle in secondary school.

In addition to this, teachers will have mentioned healthy eating and lunchboxes during the parent consultations. Our policy is straight forward and for one meal per day, they should be able to eat healthily. We will be launching our healthy eating month in January as part of our get fit and healthy in body, food and mind year. I will send further information on this in due course. Furthermore, please do not bring crisps and sweets onto the playground after school as it undermines all the work we are doing and is **NOT** necessary.

In terms of pupil's progress, last week the Governors visited the school to speak to teachers about how well the pupils are doing, what is going well and what they struggle with. They will report this to the full board. They were very impressed with the progress being made, as are we. Our year 5 writing data, which is compared nationally, came out as **16% above national**. Great job to year 5!

A quick reminder that this newsletter has a feedback form attached. Please feel free to fill this in and we will take your comments into account. After Christmas, we will share a spot light feature of staff within the school, as requested.

I do not wish for COVID to rule our school life; however, we must be pragmatic and accept that the cases are rising. Slough will issue a letter to parents, which has been shared across Berkshire, explaining the need to be cautious in our interactions. We have risk assessed the school and some of the things relevant to you are mentioned below.

Masks

As you know, face masks are mandatory in public places. If you are coming into the school, masks **MUST** be worn. This is to protect our staff and our community. I am not able to ensure you socially distance in the queue at pick-up time but I highly advise it.

School Office

Only one family at time will be permitted to enter the office. You will have to wait; therefore, I would avoid being late.

Nativity

This is will live streamed. The performances are as follows:

- Reception Nativity: Tuesday 14th December – 1.30pm – 2.00pm
- Morning Nursery Nativity: Wednesday 15th December – 9.30am – 10.00am
- Afternoon Nursery Nativity: Wednesday 15th December – 1.30pm – 2.00pm

Carol Concerts

We will hold these within school without parents on Friday 17th December, however the choir will stand on Moat Drive to perform for you after school on Wednesday 15th December. Please do not get too close and remain at a distance, but please do give some money towards Slough Food Bank. The choir students will also visit Oak House Care Home to sing to them, this has been risk assessed and will be carried out safely.

Remote Learning

The Omicron variant of COVID is very infectious, schools in Maidenhead and Bracknell have already started to close year groups. Last week, schools local to us also had very high levels of infection resulting in part closures. Should the cases continue to rise, we have been asked to

ensure remote learning is in place. I attached our remote learning policy, which is available on the school website. Please can you ensure that your child's TEAMS login is working, if not, call the teacher as soon as possible. Should we need to revert to remote learning, we will follow our plan from last time, which worked very effectively. We will allocate some laptops on a priority basis. Christmas is such a lovely time of year, we have a number of things planned for the pupils, such as Santa's visit, Christmas jumper day, Christmas lunch etc. I hope we can remain safe and spread some Christmas cheer at the same time!

December – the month of gratitude

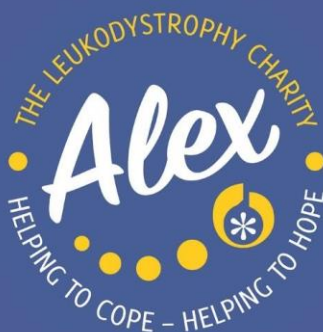

Thank you for your generous donations so far. Please remember to donate items for the class hampers for our public sector workers within our local community by Thursday 9th December. We are looking for parents' volunteers to come and help us wrap the hampers on Friday 10th December – please contact the office if you are interested.

ALD Charity

I would like to draw your attention to another charity which is very dear to us. It is the **ALEX TLC Charity** which is the only charity that specifically works with families with ALD. (ALD is a degenerative disease that attacks the body's neurological system, resulting in the premature death of the child.) This is a devastating condition which changes the lives of boys, who had previously been fit and healthy. Families are left to deal with a very quickly changing situation and with little support or guidance. They need somebody to talk to, so that they can make sense of what is happening and start to deal with the many complications associated with the disease. This will be our chosen charity for next year.

Burnham Junior FC are having a charity Coaches v Parents game this week. Money raised from the event will be donated to Alex TLC so if anyone wants to donate you can do so by visiting their JustGiving page link below.

WEXHAM COURT PRIMARY SCHOOL

The Owls came to visit

Last week, we also had some very special guests visit our Nursery children. Check out the pictures below to see how much they enjoyed it!

Art Week

Art week at Wexham Court, is a time for pupils and staff to fully immerse themselves in hands on creative activities. We realise as a school, that the arts are subjects that often get neglected, however they are vital subjects for children to be able to express themselves. Throughout last week, year groups spent the afternoons focusing purely on Art and DT based sessions building up to a final piece by the end of the week.

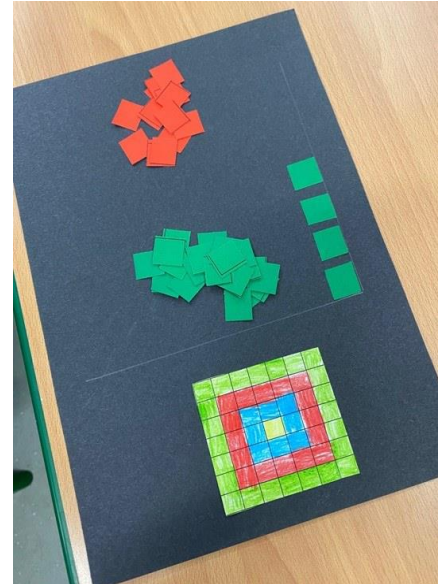

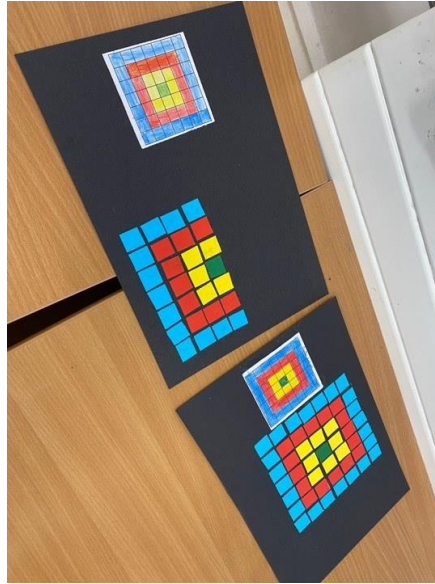

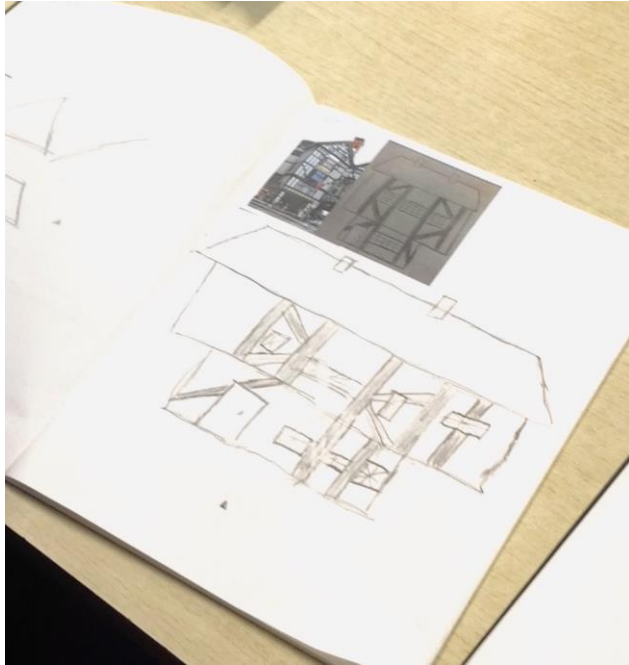

- **Year 1** – produced a collage and drawing of a train carriage. Children focused on shapes, lines and learning to draw faces.
- **Year 2** – constructed a town from the 1600s. Children focused on construction, how materials stick together, shapes and building structures.
- **Year 3** – produced a roman mosaic. Children focused on patterns and colours with a basic design.
- **Year 4** – produced a piece of Viking jewellery. Children focused on clay work with the technique of carving.
- **Year 5** – produced a stained-glass window based on a geometric design. Children focused on researching Islamic art in architecture, colour theory and tessellation.
- **Year 6** – produced a piece of Greek pottery from air dry clay. Children focused on researching Greek pottery, the pinch pot technique and inscribing stories/images into clay.

Have a look at the amazing work that was produced – well done to you all!!!

Messages & Reminders

Reception Applications

Reminder for Nursery Parents – Applications for your child to be allocated a Reception place for September 2022 will be closing on the **15th January 2022**. Please make your application via the Slough Borough Council website as soon as possible. If no application is made, your child will not receive a Reception place. If you have any questions or queries, please contact Mrs Thistle in the school office.

Front Office Team

Flu Immunisations

Any parents/carers that have been unable to complete their forms by the deadline will now need to follow the below process:

Any parents wishing to consent for the flu will need to wait until 24 hours after the session when the school consents will be reopened. They will then need to complete a form using the original information sent from the school and wait for the link to be emailed to them to book into one of our catch-up clinics.

School-aged Immunisation Team

Autism support during holidays

Christmas and holidays can be a challenging time for our children with autism, even if it is not celebrated at home. Please use the link below to see how you can support your child during the break. https://www.autism.org.uk/advice-and-guidance/professional-practice/christmas-resources?utm_source=The%20National%20Autistic%20Society&utm_medium=email&utm_campaign=12834231_autismpracticesubscribers02.12.21%20%5Bautismguidance%5D&dm_i=YA3,7N2YF,75OYLH,V4HO6,1
