## Key Dates for Parents/Carers

**Friday 28th May** - Last Day of Term

**Mon 31st May - Fri 4th June** - Half Term

**Tue 22nd - Thu 24th June** - Parent Consultation week

## Important Information

Dear Parents, Guardians & Carers,

I hope you all had a lovely Eid last week; the children have been telling us all about their festivities (mainly the food) and seem in great spirits!

As you are aware, England is slowly coming out of lockdown. Today marks the opening of indoor restaurants, the rule of 6 being extended to indoor areas, entertainment venues like cinemas, theatres and bingo halls being re-opened etc.

However, restrictions in schools still apply! We as a school still have to follow certain guidelines to ensure the safety of our pupils and staff. As a school we will continue to carry out risk assessments and consider the rates within our local area. We would still require parents to wear masks when collecting your children, one adult at a time and please avoid extensive conversations on the playground.

The school pick up system is working in the best way possible considering the current situation and I think a contributing factor to that is the Street Smart set up we have in place. A letter was sent out last week asking for parent volunteers, please get in touch to help us continue this, we need your help to keep our children as safe as possible when leaving school.

We will be issuing reports to parents on Friday 18th June which we aim to send out electronically. You will have the opportunity to discuss this annual summary with your child's class teacher during parent consultation days. I encourage you to attend these, as a piece of paper cannot compensate for a conversation, there will be lots more your child's teacher would like to discuss with you.

As we reach the penultimate week of this half term, I would like to thank you for your continued support and wish you a very good week ahead.

*Miss Mehat*

### Water & Window Safety

[NHS urges summer safety awareness to keep children out of danger \(frimleyccg.nhs.uk\)](https://www.frimleyccg.nhs.uk)

The CCG East of Berkshire produced the following short video clip in 2017 and the message remains important today! Using messages around water safety and window safety, CCG decided to produce the video in response to increasing concerns about the distractions of mobile phones in particular and how use of electronic devices may impact on risks to supervision of babies and children.

### Sunflower Competition

The sunflower competition is really starting to heat up now!!! China Class and Nursery AM class are neck and neck with only 2cm difference. China Class's sunflower is standing at **79cm** tall and Nursery AM class's sunflower is standing at **77cm** (increasing in height by 20cm since last week). What incredible progress 😊

Not far behind is Nursery PM class whose sunflower is standing at 57cm tall - keep up the great work!!!
