## Important Information

Dear Parents/Carers,

I hope you all had a nice weekend. The lovely weather seemed to have disappeared on the weekend (typical!) but, we are due to have another great week of sun and heat so please remember to send your children in with sun hats, sun-cream and water bottles.

I wanted to thank you all for attending Sports Day. It couldn't have gone any better - the weather was perfect; the sportsmanship was amazing and the encouragement from the parents was second to none. It feels great to be able to get together again and organise such events after a turbulent 2 years. I wanted to give a very big shout out to the winning team - **Copper Beach!** You guys displayed excellent team work and sportsmanship. A big well done to all the other participating teams for all your hard work, dedication and teamwork.

Speaking of events, I wanted to let you know about the end of year picnic. We will be having a whole school picnic on the last day of term (Wednesday 20th July) at 11.00am on the school field. You can either send your child in with a packed lunch or you can bring in your own food from home to the picnic.

We will have two stalls (sweet & savoury) where parents can bring in either sweet or savoury HOME-MADE produce to sell. Any dishes you make must clearly display the ingredients so that buyers are aware of what is in the food...**reminder we are a nut free school!** We would prefer you sell home-made produce rather than shop bought items. Please can you send any food and ingredients in with your child on Wednesday morning, so we can get everything set up beforehand.

Reminder that on the last day of school, children should come into school with a water bottle only. They will not need to bring anything else in.

On the last Friday of every month, we will be setting up a school store where we will be selling second hand uniform and other items such as books - please do check it out. This month's school store will be open on **Friday 24th June** in the Upper Primary Playground near the shelters at 3.10pm.

And finally, there is lots growing in the polytunnel and we would love parent volunteers to help come in and water and weed on Wednesday afternoons at 2:00pm. Please contact Miss Nawaz if you would like to help out. Please help us to win the horticultural cup again!!!

With all that being said, I hope you have a great week.

*Miss Mehat*

## Messages & Reminders

### **Medication**

If your child is taking any medication you must ensure that you give it to the front office. Your child should not be bringing any medication in their school bags and should not be administering it themselves - this includes nasal sprays. We have a dedicated First Aid team who administers medication.

*First Aid Team*
