Dear Parents/Carers,

Healthy Lunchboxes

Just a reminder that we are looking for parents to share some healthy lunchbox ideas. Please keep sending them in. Olesha's Mummy (in Year 1) sent in a lovely poster, which I have attached for you to look at. Please send in photographs and any ideas you have.

Library Opening Times

The Library is open on Friday afternoons from **3.15 -3.45pm** for families to come and choose books for the weekend together.

Author Visit

A very exciting week ahead for the pupils as Dan Freedman, a children's author will be visiting Wexham Court and holding an assembly for the children in Years 3 to 6. Dan is a former sports journalist and has written a series of books about Jamie Johnson, a young footballer. There will also be a writers' workshop for a group of children from Years 5 and 6 and a book signing after school. Books can be pre-ordered on sQuid by Monday 18th January. More information can be found at www.danfreedman.co.uk (ATTIA insert a photo of him and one of his book)

Safety Issues At The Main Gate

A reminder that all children from years Nursery to Year 3 must be dropped off and picked up by an adult. Please **DO NOT** drop your children off at the main gates to the staff or parent car park or on the Moat Drive entrance. They must be walked up to the class and supervised by you until the class teacher takes over the supervision. It is very dangerous and a number of children have arrived feeling quite upset and scared.

New HD SMART boards

Next week we will be installing new smart boards in year 1 to 3 as part of our renewal programme. As a result there will be some minor disruption to classrooms with pupils having to move to the large hall for part of the day. The end result being much clearer visibility and accuracy, alongside a host of new applications for the pupils to use.

Thank You Letters

Last week I reminded you that the pupils received a letter and a gift from Santa. He had asked the pupils to have a discussion and vote on who should receive this gift. The option being, they keep it or they give it to somebody else in recognition of their contribution or current situation. All classes voted to give the gift away to various organisations and today I attach some touching letters we received to say thank you to our generous and kind pupils.

Regards

Miss Mehat and the team
