# Learning Book: How to upload photos

How to upload using the app:

1. Download the app "MyLearningBook" on Google Play or App Store

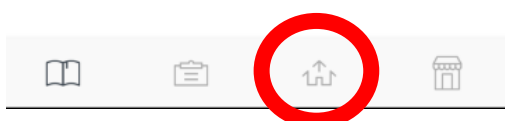

MyLearningBook

LearningBook   Education

3 PEGI 3

Add to Wishlist

2. Open the app and click on Upload icon at the bottom of the page.
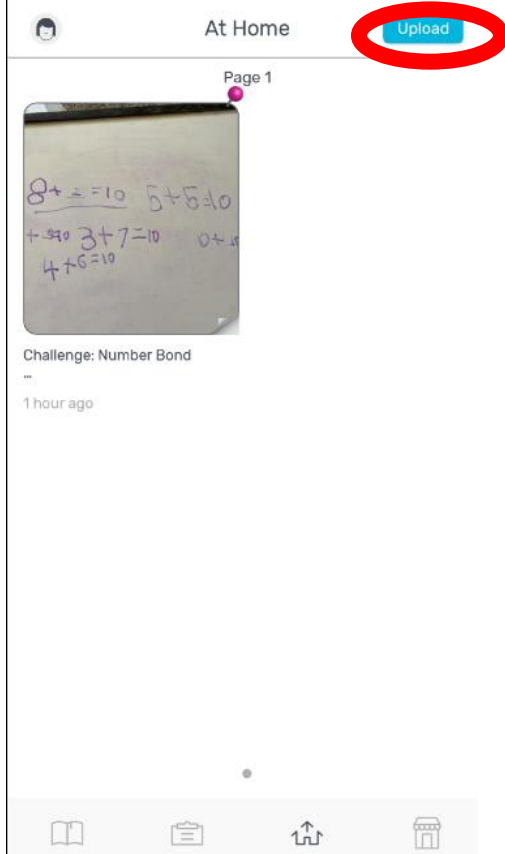

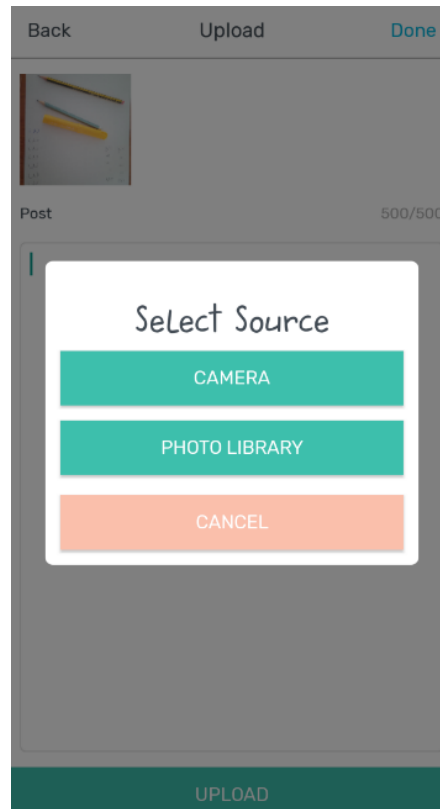

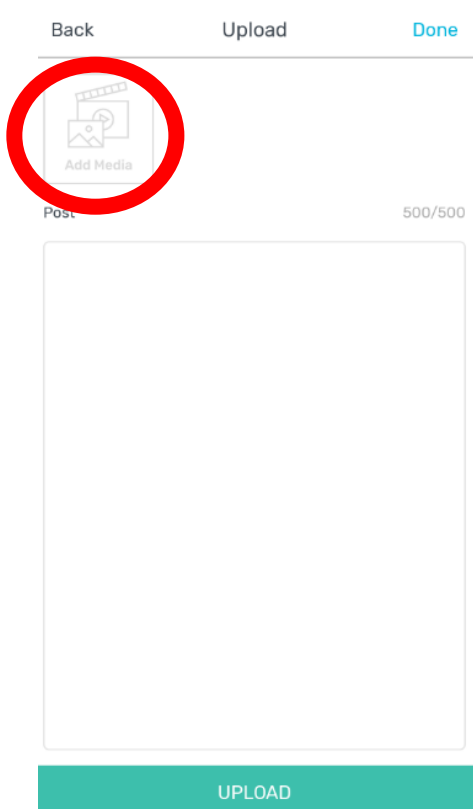

MyLearningBook

No Observations

There are currently no observations available.

3. Click "Upload" on the top right corner

4. Click "Add Media" and "Select Source"

5. Write a short comment

Back   Upload   Done

Post   269/500

Maths Hunt:
[Child's Name] found 2 pencils and a pen and counted them altogether to find the answer all by himself/herself.

"Mummy, there are 3 altogether"

With support s/he wrote the number sentence, and we practised writing 3.

Please write about
- What activity the child has done (e.g. Maths Hunt etc.)
- Whether it was independent or with support
- Child's comment if any (e.g. "There are 3 altogether", "you have to count them altogether")

6. When ready click "Upload" and you are done!

UPLOAD

How to upload from the website:

1. Go to https://mylearningbook.co.uk/Logon and login using your email address and password.

*If you have forgotten your password, click "Forgotten Password?" at the bottom to reset your password.

** If you still have a problem please contact the school at mail@wexhamprimary.com and one of the staff will help you.
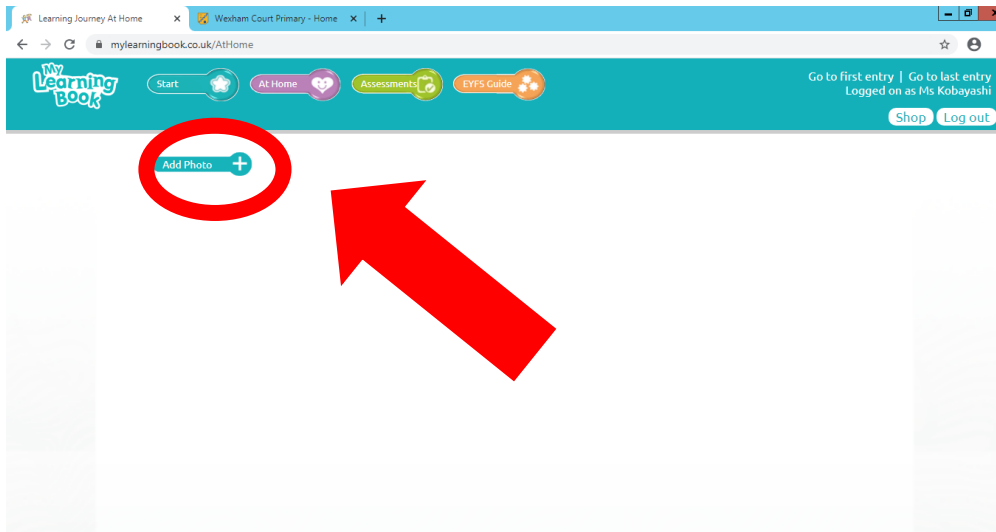

2. Click on your child's Learning book
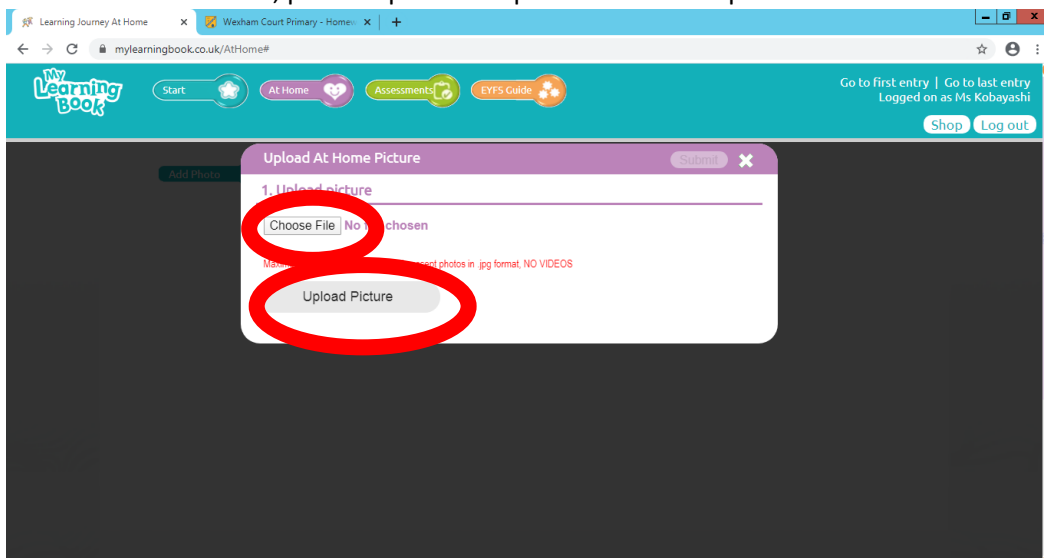

3. Click on "At Home" at the top

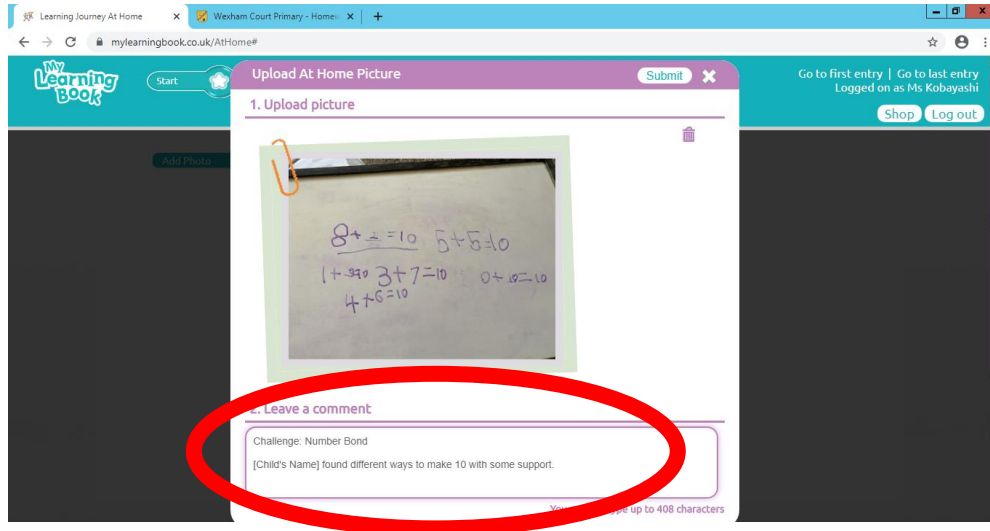

4. Click on "Add Photo"

* Please note that you can only upload photos. Videos CANNOT be uploaded.

5. Click on "Choose files", pick the photo to upload and click "Upload Picture"

6. Write a short comment

Please write about
- What activity the child has done (e.g. Challenge: Number bond to 10/ Planting outside etc.)
- Whether it was independent or with support
- Child's comment if any (e.g. "8+2=10", "I can use my toys to help me")

7. When ready click "Submit" and you're done!
