

# Year 2 Enquiry

Monday 13<sup>th</sup> July Lesson 2

Think about the topics we learned about this year. What would you most like to learn more about?

- Great Fire of London
- Our local area
- Animals around the world
- Materials
- Geography in the UK and China
- Being a guardian of the world

What have we  
learned about the  
world?

What was the most important thing you learned in Enquiry this year?

I think that the most important thing I learned is \_\_\_\_\_. I think this was the most important because \_\_\_\_\_.

# What have we learned about the world?

*This year we have learned about;*

- *The Great Fire of London*
- *Our local area*
- *Animals around the world*
- *Materials*
- *Geography in the UK and China*
- *Being a guardian of the world*

# Independent task

This afternoon we would like you to show us what you have learned in enquiry this year. You have two options of how to do this.

# Independent task: Option 1

Draw a poster showing all the things you can remember about one of our enquiry topics.

- The Great Fire of London
- Our local area
- Animals around the world
- Materials
- Geography in the UK and China
- Being a guardian of the world

# Independent task: Option 2

Use what you can remember about each of our topics to draw a diagram like this;

## History

- The Great Fire of London....
- The history of our school....

## Science

- Animals can be separated into ...
- Materials have different....

## Geography

- The world has .....
- The world needs protecting because...

Remember to think about;

- The Great Fire of London
- Our local area
- Animals around the world
- Materials
- Geography in the UK and China
- Being a guardian of the world

*Well done on all your Enquiry learning this year! Remember, keep asking questions and you will keep learning!*
