Modelled

Time is moving quickly
and you are growing fast.

I can't believe this year has gone
and now is in the past.

We've had so many lovely times;
with fun along the way.

Moving On

Your smile has always cheered me up
each and every day.

So remember you're fantastic;
a little shining star.

Go forward and just be yourself,
Just a little shining star.

When School Is Closing Soon

By Janiel Wagstaff

When school is closing soon,
my heart gets excited!
But, I'll miss my friends and teacher
so my feelings are divided.
I think of all I've learned,
like math, writing, and reading.
I'm proud of my accomplishments
and how I've been succeeding!
So, here's to summer months of fun
and to the next year, too!
I'll always remember this school year
and how much I grew!
